## **REASONS FOR ALLOWANCE**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ashley Pezzner on May 3, 2004:

Claim 1, line 3, substitute "reaction between" with "reacting";

Claim 1, line 5, replace "(a) providing a liquid reaction mixture" with "introducing said reactants into a liquid reaction mixture"

Claim 1, line 8, delete "(b) introducing said reactants into said liquid reaction mixture";

Claim 21, line 3, replace "by" with "comprising providing a liquid reaction mixture by";

Claim 21, line 3, replace "the reactants to" with "hydrogen fluoride and vinyl chloride into";

Claim 21, line 4, replace "and contacting" with ", wherein";

Claim 21, line 4, after "chloride" insert "are contacted";

Claim 21, line 4, replace "a reaction" with "said reaction".

The following is an examiner's statement of reasons for allowance:

The Amendments filed April 14, 2004 place the claims in condition for allowance since the claims were amended to positively recite steps of providing a liquid reaction mixture and introducing hydrogen fluoride and vinyl chloride reactants into this reaction mixture. Accordingly, claims 1-29 stand allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
